It is hard to believe that we will be celebrating 75 years at Post 103. From Robert Rutter our first commander to the great Pat Britt our longest serving commander we have always had great leadership. It is truly an honor for me to now serve as your commander. AMVETS Post 103 is a storied organization having 6 Pennsylvania State Commanders, a National District II Commander, and many other notable members. You would be very hard pressed to find another Post in any organization that has as nice of a home location and facility as we do. That is entirely due to the hard work of the members, leaders, and supporters of Post 103 that we have had over the years. While some names have come and gone and hair colors have changed over the years we remain dedicated to our founding principals of supporting Veterans and their family members in our community. We have scholarship programs for children and grandchildren of Veterans, host Veteran events each year, and provide a clean and safe entertainment venue for our community. Even in the toughest year that any of us have ever seen we have grown as an organization and have become stronger. Please join us to celebrate all of the great things that have happened and will happen at AMVETS Post 103.

-Stanley Angel, Commander
