**Service to Others.**

This past year has been a hard year for Post 103. With Covid keeping business away and the stock market plunging we have been losing money. But the only good thing is that we haven't touched any thing from our saving account. We have been staying afloat with continued Cash Bashes, tickets and some increase in hall rentals. Our gift card ticket is to help pay for conventions we attend thru the year.

I appreciate the tireless efforts that the club officers, ladies auxiliary, and some other key volunteers put in. Sadly, we have had a very hard time finding volunteers to work Cash Bashes and other post fundraisers resulting in some being cancelled. Please consider volunteering your time to help Post 103 be the Best AMVETS post in America. Not only will you help our post stay fiscally strong, but every hour volunteered is tracked and these hours help AMVETS to provide the programs and services to Veterans across this great nation. The other benefit is that with an increased presence in the community, we can help to add new members to our club to ensure the future of Post 103.

Yours in service,  
Stanley Angel, Commander

Our post welcomes the VA Pittsburgh-

important to know that you are not alone,  
and you are not the only one going through  
what you are going through.

**AMVETS POST 103  
HONOR GUARD**

We are looking for dedicated men or  
women to join the elite group of the  
Honor Guard. They perform military  
honors when a veteran passes away.  
They also do some ceremonies where  
they present and retire the colors. If  
you would like to be a part of this  
Honored group, please contact Larry  
Stavish at 724-963-5635.

If you need help with VA claims we  
have an AMVET service officer that  
comes to the club the first Friday of  
every month at 9am.
